To Whom it May Concern:

This letter is to inform you that Docket # 92-90, IE: The Telephone Consumer Protection act of 1991. If passed will be very detrimental to my career as a Real Estate professional. I understand the need to protect consumers from annoying and unfortunately sometime fraudulent telephone solicitations. I must inform you that cold calling is a very beneficial tool for the Real Estate professional in serving his or her clientele as well as generating future business.

Please do not cripple the Real Estate industries ability to do business, DO NOT pass docket # 92-90 the Telephone Consumer Protection act of 1991.

TO WHOM IT MAY CONCERN:

It is critical to me and my fellow real estate sales people that we be allowed to continue with tele-marketing. This means of communication with the public is our only source of creating new business and stimulating the real estate industry in this already depressed economy.

I thank you for your attention regarding the importance of this matter.

Sincerely,
